

ACH Authorization Form

By submitting this Credit/Debit Card Authorization Form ("Authorization Form"), I authorize OffTrackBetting.com, Lien Games Racing, LLC, as licensed by the North Dakota Racing Commission, ("MERCHANT") to:

1. Confirm and Approve my pari-mutuel advance deposit wagering account (OTB ACCOUNT) at MERCHANT;
2. Initiate Debits and Credits from/to my checking account at the Depository Financial Institution (the 'BANK'), as indicated by the Account Number and Transit Routing Number in my check supplied to MERCHANT in this Authorization Form;
3. Verify my identity by methods acceptable to MERCHANT; and
4. Debit the following amount from my BANK account for credit to my OTB ACCOUNT with MERCHANT:

\$ _____ (fill in amount to be debited with this Form - \$25 minimum, \$100 maximum on 1st deposit)

In order to ensure your bank account details are correct in our system, we require an initial deposit to be processed with this form.

Additionally, by submitting this Authorization Form, I authorize my BANK to Debit or Credit my checking account in accordance with my authorization. This authorization is to remain in full force and effect until MERCHANT has received written notification from me of its termination in such time and in such manner as to afford MERCHANT a reasonable opportunity to act on it.

Further, I acknowledge that I have received, or will receive at the time of each ACH deposit, services/goods in the form of a positive adjustment to my OTB ACCOUNT balance that I may use to wager with. I agree that I will pay for all such deposits where my OTB ACCOUNT balance is positively adjusted.

I agree to pay MERCHANT a returned item fee of \$25 which may be initiated to my bank account for the items returned unpaid. In the event of returned items, I understand that monies owed will be deducted from my wagering account balance and, if the balance in my wagering account is insufficient to cover the monies owed, my wagering account will be suspended until the monies owed are paid in full. In the state of North Dakota, an unfunded ACH is the same as passing a bad check - penalties include up to \$5,000 fine, 5 years in jail, and a Class C Felony.
